

*June 3<sup>rd</sup>, 2020*

*We are so pleased to safely welcome you back to our oral surgery practice.*

*Our priority is and always will be to keep everyone safe, including our amazing team members and the patients trusted to us from our valued referring dental and health professionals.*

*If you have any questions at all, please do not hesitate to contact us.*

***Dr. Denis Nagy, and Team***

## **OUR WORKPLACE COVID-19 SAFETY PLAN**

- ✓ Daily Staff health screening
- ✓ Health screening for patients
- ✓ One patient in the facility at a time
- ✓ Sneeze/cough guards at reception
- ✓ Mask donning at all times
- ✓ Hand sanitizer protocols before entering and inside office
- ✓ Increased surface sanitization
- ✓ Limit one team member to staff room at a time followed by sanitizing.
- ✓ Treatment rooms renovated to isolated negative pressure with dedicated HEPA filtered exhaust and 25 + air changes per hour.
- ✓ At source aerosol evacuators added to both treatment chairs.
- ✓ Trained our Team with hospital level protocols for negative pressured rooms and enhanced PPE
- ✓ Background air scrubbing filtering in treatment rooms and reception
- ✓ All Team members provided workplace clothing (scrubs) that will be sent for professional laundering
- ✓ Waiting room chairs spaced 2.5 meters apart. No magazines.
- ✓ Physical/social distancing reminders on the floor
